

How to start up a start-up?

We cordially invite you to an inspiring session in which we will address the critical aspects of a successful business start-up, from the conception of an idea to its implementation

Practical insights and scientific findings will be provided by our

Speakers:

Utkarsh Singh

(Physics PhD student at University of Ottawa and experienced start-up founder)

and

Jan Klaiber

(CEO at Digital Innovationszentrum Rostock GmbH & ProMedTec Germany)

Date: Tuesday, 25. March 2025

Time: 15:00 Uhr

Place: seminar room 110 of the LLM research building

(Universität Rostock, Department Life, Light & Matter, Albert-Einstein Str. 25, 18059 Rostock, 1. Stock)

Following the presentations, there will be an opportunity for a relaxed exchange over coffee and snacks.

Take the opportunity to discuss innovation, challenges and opportunities in the start-up world.

We look forward to seeing you there!
