

IRTG Summerschool 2024

Imaging quantum systems (IQS): photons, molecules, materials

Wednesday, 22.05.2024	
Location: Hörsaal 1, University of Rostock, Faculty of Mathematics and Natural Sciences, Institute of Physics	
	Chairperson: Prof. Stefan Scheel
09:00 Uhr - 10:00 Uhr	Lecture: Coherent Electronic Dynamics in Molecules
	Prof. Dr. Albert Stolow (Univ. Ottawa)
30 Minuten	Coffee break
10:30 Uhr - 11:15 Uhr	Presentation/discussion: Understanding nonadiabatic wavepacket dynamics
11:30 Uhr - 12:00 Uhr	Visit Institute of Physics & Lab Tour (in four groups)
12:00 Uhr - 14:00 Uhr	Lunch
	Chairperson: Prof. Simone Baltrusch
14:00 Uhr - 15:00 Uhr	Lecture: Introduction to the Hierarchy of Pure States (HOPS) approach to open quantum dynamics
	Prof. Dr. Walter Strunz (TU Dresden)
15 Minuten	Coffee break
15:15 Uhr - 16:15 Uhr	Lecture: New developments in femtosecond laser technology
	Prof. Dr. Oleg Pronin (Hamburg)
15 Minuten	Coffee break
16:30 Uhr - 17:30 Uhr	Lecture on starting a business
	Bianca Souffrant (Forschungsverbund Mecklenburg-Vorpommern e.V.)
